#### Strengths

- More than 25 years of experience in the aviation industry (Airlines, Airports, Air Traffic Control).
- CEO/Leadership of an operation in the service sector of the economy. Turnover of CHF 700 million annually; 1,400 employees. Responsibility for both operative and financial results.
- Leadership experience in a complex commercial environment. Further responsibility for some 180 partners with up to 25'000 employees.
- Overall management during the first Public Offering of an airport operator in Switzerland.
- Extensive experience in politics and business in local and national spheres.
- Start up and development of international airport development projects in South America and India.
- Change-management-experience concerning fusions and massive changes (grounding of the national airline).
- Planning and carrying out of a company strategy for a privatized airport operator.
- Unification of a state organization with a mixed-operation quoted company.
- Leadership skills proved in crisis management situations (9/11, Swissair grounding, aircraft accidents, SARS, Iraq war etc.) as head of crisis management.
- Persistence in the implementation of long-term strategies.
- Field tested experiences in complex conflict topics.
- Set-up and extension of a comprehensive logistics net-work.
